YOUR ADVENTURE BEGINS

Welcome to Sable Island

Thank you for booking this incredible adventure to Sable Island National Park Reserve. The following is some information regarding our time to meet, location and how to best prepare for your day on the island.

TERMINAL ARRIVAL	PLANNED RETURN
7:30 am	8:00 pm

All times are Atlantic Time. Keep the following day available as your weather backup day.

Your departure location

Gateway Terminal

645 Pratt and Whitney Dr., Goffs, NS B2T 0H4

Parking is free in spaces not marked reserved.

PREPARE FOR YOUR VISIT

An extraordinary island day

Your journey

Our planned return time at the terminal is approximately 8:00pm. Travel time to Sable Island NPR by plane is approximately 1 hour and 25 minutes each way.

Before you depart

Please ensure to complete the required registration/waiver form that all visitors must complete, via link provided in your email.

You are not required to register with the park as we will do that for you with our group registration and we will look after all landing and individual entrance fees.

I have attached a park map and biosecurity policies so please read those carefully.

Parks Canada - plan your Sable Island visit

Parks Canada visitor orientation video

Research and conservation

We plan to meet naturalist Zoe Lucas if she is available. The Sable Island Institute conducts research and education on the island, including cutworms, horse-exclusion research with Parks Canada, beach monitoring and marine-litter brand audits.

Explore the Sable Island Institute and its projects

Lunch and luggage

Lunch is provided but it never hurts to bring snacks and you should absolutely bring a water bottle. Parks Canada staff will meet us at our landing area and will be able to take larger/heavier items to Main Station for us (where we usually have lunch).
