All times are Atlantic Time and approximate. Your booking email takes precedence for final meeting arrangements. Let us know your fishing experience, dietary needs, equipment sizing and any mobility concerns before your trip.

BY AIR AND ALONG THE RIVER

7:15 a.m.	Depart downtown Halifax. Airport transfers can be arranged through your hotel.
8:00 a.m.	Arrive at the Halifax heliport for check-in, orientation and the helicopter safety briefing.
Morning flight	Fly via Port Hawkesbury for refuelling before continuing into the Margaree River Valley.
About 9:30 a.m.	Land in the valley and meet your fishing guide and Jeep transfers.
On the river	Fish selected pools, with up to six salmon pools throughout the day. Lunch is included.
Afternoon pickup	Meet the helicopter at the Normaway Inn; return via Port Hawkesbury for refuelling.
About 6:00 p.m.	Planned arrival back at the Halifax helicopter terminal.

Equipment, lunch and river conditions

Your guide provides the necessary fishing equipment, including chest waders, rods, reels, flies and nets. Please confirm sizing and any specialist requirements before departure. Lunch is included; bring a water bottle and personal snacks. Fishing locations and catches depend on the season, river conditions and applicable rules.

Salmon and trout require different Nova Scotia licences. Confirm your tour date and intended fishing with Kattuk before buying a date-specific licence. Apply online using the official provincial pages and carry your licence while fishing.
