YOUR ADVENTURE BEGINS

Welcome to the Highlands

Thank you for booking your Cape Breton Highlands heli-hiking adventure with us. We look forward to sharing a remarkable day of coastal scenery, remote landings and exceptional hiking.

HOTEL PICKUP*	TERMINAL ARRIVAL	PLANNED RETURN
7:15 am	8:00 am	6:00 pm

All times are Atlantic Time. *If you are being picked up in Halifax, please meet your driver in your hotel lobby.

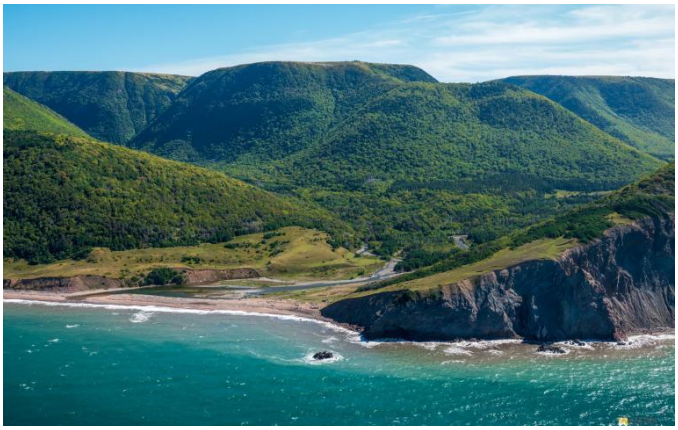

Your departure location

Vision Air Services (IMP Terminal)
549 Barnes Dr., Enfield, NS B2T 1K3

Parking is free in unreserved spaces to the right of the driveway. Please park closest to the road. The lounge entrance is toward the back of the parking area, near the gate to the runway ramp.

THE EXPERIENCE

A day beyond the ordinary

Remote landings & remarkable hiking

We have planned three hiking stops in rarely visited locations, both high and low in the Highlands. Each location would take a full day to reach on foot. Hikes typically last 45 minutes to one hour at each stop, with time to enjoy the extraordinary sense of solitude.

Your planned route

Our planned stops are Port Hawkesbury (refuelling), above Pollett’s Cove, Meat Cove Mountain, Money Point and Sydney (refuelling). The planned return to the terminal is approximately 6:00 pm.

Your helicopter & guides

Depending on group size, we use a Bell 206 Long Ranger or a Sikorsky S-76A++. Both offer clear viewing windows, are strictly maintained and are flown by a captain with 30 years of experience.

Our local guides bring firsthand knowledge and family history of the area. All hold Red Cross Wilderness & Remote First Aid certification or better, and carry a wilderness first aid kit, cell phone and VHF radio.

Before you depart

We handle registration with the park and helicopter charter company on your behalf. Please complete the required guest registration/waiver form using the link in your email.

Lunch is provided. Bring a water bottle and any extra snacks you would like. We will contact you closer to departure about weather and landing conditions. Please call or email us any time with questions.
